

# Get trusted cyber insurance that rewards strong cyber security

## Protect your business from the aftermath of a cyber incident

Capsule's insurance solution for Sophos cyber security users makes it easy to get the coverage you need.

- Simple, straight-forward application process.
- Indicative pricing shown at the earliest possible stage for maximum transparency.
- Automatic discounts for organisations using Sophos products and services, including Sophos MDR.
- Comprehensive coverage including financial protection against breaches, crisis support, customer care services.
- Pre-approved use of Sophos incident response services in the event of an incident, to get you back to normal quickly.
- Policies underwritten by Beazley, the industry leader in cyber insurance.

## Comprehensive cover for your business

With Capsule you enjoy the peace of mind that your business is protected from the impacts of a cyber incident. This includes:

### Financial protection against:

- Regulatory fines.
- Funds transfer fraud.

### Support in times of crisis:

- Legal advice.
- Ransom negotiation costs and extortion payments.

### Reputation and client care:

- PR/crisis management support.
- Client notification and monitoring.
- Call centres to handle incoming enquiries.

## Capsule: Your trusted insurance partner

Capsule is a UK insurance broker with deep expertise in cyber insurance. We've partnered with cyber security experts, Sophos, to provide cyber insurance that recognises strong cyber defences. By taking a proactive approach to cyber security, you reduce your risk and benefit from lower insurance premiums.
